**"Hi Randall & Sukhi,
Just thought we'd drop you a quick
note to say thanks for the great stay
this summer. Including the river trip,
we had a great time! We both lost 10
pounds and it stayed off! I was sure at
least some of it would come back but it
hasn't, in fact we've both continued
with our new healthy lifestyle, are
continuing to loose weight, and are
feeling great. Thanks so much for
giving us the perfect place for a fresh
start. We have told several people
about your place and hope to visit
again next summer. We wish you well
in both your business and your lives."
Leanne & Coleen from Dawson City, BC**
